

## To whom it may concern

We hereby confirm that Mr. Kalpesh Vaghela from Infra Control System Vadodara has imparted two session of two days training program for Alembic staff on 17<sup>th</sup> & 18<sup>th</sup> June and 01 & 02<sup>nd</sup> July .

- Overview of regulations like 21CFR Part 11, GAMP 5, Annex 11 etc.
- Basic and Advance part of 21 CFR part 11
- ALCOA
- CSV Deliverables.
- Data Integrity and Security
- Risk Assessment

The training was insightful and practically applicable for our staff. We found his training as real value addition for our staff. The training content and presentation was excellent, Easy to understand and the test carried out showed that results was also good as far understanding converted to the practical knowledge.

We wish Mr. Vaghela and Infra control a great luck!!
